PROGRAM

Beijing University of Chemical Technology 2023 Admission for Bachelor Program

Founded in 1958 and formerly known as Beijing Institute of Chemical Technology, Beijing University of Chemical Technology (BUCT) is a national key university directly affiliated to Ministry of Education of China, one of the Project 211 universities and 985 Project Innovation Platforms. BUCT shoulders the mission of innovative talent education, scientific research, and high-tech development.

After 60 years of continuous efforts, BUCT has developed into a multi-disciplinary institute with a solid foundation in science and engineering, along with other distinctive disciplines such as Business Management, Economics, Law, Literature, Philosophy, Education, Medical Science and etc. It has formed a complete talent development system from the undergraduate level, the postgraduate level up to the postdoctoral level. In the ESI rankings, chemistry and material science have entered the top 1‰, the disciplines of material science, engineering, biology and biochemistry top 1%. The primary discipline of Chemical Engineering and Technology ranked the third in China. The BUCT “Green Chemistry, Chemical Engineering and Materials” discipline group was listed as a First-Class Discipline in the Double First-Class Project in 2017.

BUCT, with a global vision, has successively established academic collaboration with 165 universities from Asia, Europe, America, Africa, Oceania. BUCT is now running more than 86 study-abroad programs. BUCT also offers a wide range of education programs for international students including bachelor’s, master’s and doctoral programs as well as Chinese language and culture programs, exchange programs and summer camps and etc.

In the 21st century, which is full of opportunities and challenges, BUCT will continue to hold fast the university motto “to be ambitious, virtuous, profoundly learned, to explore the mysteries of nature, strive for better services for human beings” and try its best to develop BUCT into a world class research institution with distinctive characteristics and international influence.

Key Facts on History

Beijing Institute of Chemical Technology(BICT) was founded, affiliated to the Ministry of Chemical Industry.

1994

Name changed to Beijing University of Chemical Technology.

1996

Became one of the first Universities to be in the Project 211(Top 211)

1998

Affiliated to the Ministry of Education

2008

Became one of the 985 Project Innovation Platforms for Priority.

2017

"Green Chemistry, Chemical Engineering and Materials" was listed as First-Class Discipline in Double First-Class Project.

Key Facts on BUCT

One of Project **211** universities

Multi-disciplinary-It is a multi-disciplinary university with science and engineering retained as the core disciplines with the addition of arts, the science of law, management and economics.

First-Class Discipline in the Double First-Class Project in "Green Chemistry, Chemical Engineering and Materials"

17 Colleges/Schools

15,000+ Undergraduate students

600+ International students

2 State Key Laboratories

5+ International joint Laboratories/Research Centers

One of the **985** Project Innovation Platforms

2,600+ Faculty members and staff

7,500+ Postgraduate students

500+ /year Study -abroad Students

30+ Provincial Joint Laboratories/Centers

160+ Overseas Cooperation Partners

Postgraduate Programs

Master's Program (3 years) (※: curriculum taught in English)

College of Chemical Engineering

1. Chemical Engineering and Technology※
2. Environmental Science and Engineering

College of Material Science and Engineering

3. Material Science and Engineering※

College of Mechanical and Electrical Engineering

4. Engineering Mechanics
5. Mechanical Engineering
6. Power Engineering and Engineering Thermophysics
7. Safety Science and Engineering

College of Information Science and Technology

8. Controlling Science and Engineering
9. Information and Communication Engineering
10. Software Engineering
11. New Generation Electronic Information Technology
12. Computer Technology
13. Control Engineering
14. Computer Science and Technology※

College of Economics and Management

15. Management Science and Engineering
16. Accounting
17. Business Administration ※
18. Technical Economy and Management.

College of Chemistry

19. Chemistry※

College of Life Science and Technology

20. Physics
21. Mathematics

College of Humanities and Law

22. Light Industry Technology and Engineering
23. Pharmacy
24. Biological Engineering ※

College of Marxism

25. Law
26. Public Administration

Department of Art and Design

27. Marxism Theory

Doctor's Program (4 years)

College of Chemical Engineering

1. Chemical Engineering and Technology
2. Environmental Engineering

College of Materials Science and Engineering

3. Materials Science and Engineering

College of Chemistry

4. Chemistry

College of Information Science and Technology

5. Controlling Science and Engineering

College of Mechanical and Electrical Engineering

6. Power Engineering and Engineering Thermophysics

College of Life Science and Technology

7. Biological Engineering

College of Economics and Management

8. Management Science and Engineering

Application and Admission Process Period

1. Register your account and activate in <http://study.buct.edu.cn>, fill out your Application online and upload the materials;
2. Document review;
3. Online interview;
4. Admission announcement (All accepted applicants will be informed via Email.);
5. Receive the admission Letter and JW201/JW202 form by DHL.

03

Admission Materials

1. CV;
2. Two letters of reference from professor or associate professor;
3. Study and research plan;
4. Original Transcript and Diploma of the highest Degree(notarized);
5. Passport size photos, passport copy;
6. Photocopy of Foreigner Physical Examination Form;
7. Acceptance letter from one supervisor;
8. No Criminal Record Certificate;
9. English or HSK proficiency certificates ;
10. Originals or copies of academic publication, patent, and other academic achievements (If any, priority will be given).

Note: 1. Applicants requires a preliminary acceptance letter from a BUCT professor and upload it online. Or else you will not be considered as a candidate.
Participating Professors information can be found at the <https://en-sie.buct.edu.cn/2612/list.htm>
